SUBJECT Nazi War Criminal Employed by CIA

ACTION OFFICER

STAT

SUMMARY: Martin called to say he had constituent inquiry/allegation that CIA employed one [redacted] a known Nazi War Criminal, until 1978 (during first GAO investigation) when he resigned/retired. The allegation continues that although he retired, he is still doing undercover work for CIA.

STAT

I advised Martin of the House Judiciary Comm. inquiry to GAO, which in turn has been in touch with CIA, and that we could not in any way respond to constituent inquiries. Martin said he understood.

I then gave Martin background on the current investigation, and quoted from the DDCI letter of May 1978. I offered to send him a copy of that letter.
